SUMMER PRIVATE LESSONS

Private lessons are also available throughout the summer for the following instruments: Piano, Guitar, Voice, Drums, Violin, Cello, Viola, Clarinet, Flute, Oboe, Trumpet, Trombone, French Horn, and Banjo! One-on-one time with a qualified instructor can be just the right situation for students of all ages and abilities!

New and returning students now have several options for private lessons during the summer months. The plans are designed to create flexible options for students and their families while allowing for consistency and planning for instructors. Pick the plan that suits your family best, and make one summer payment—it's that simple!

Due to limited hours and resources during the summer months, neither credits nor makeup lessons can be provided for missed lessons, so once you choose a plan, you commit to attend those lessons.

In the rare event that your instructor cannot be present for a scheduled lesson, either a qualified substitute instructor will be provided at the regularly scheduled time, or a credit will be given for that lesson.

Although both full and partial scholarships are available during the school year, scholarships are not available for private students during the summer months.
